Spring 2006

Dear Friends,

The cherry blossoms are blooming in Olympia, which means it's time for me to send out my annual Government Guide. I hope you find it useful. Please contact my office if you'd like additional copies for yourself or an organization.

If you haven't been to Olympia to see the recently renovated Capitol Building lately, I invite you to make the trip down. It is open to the public for tours year 'round. During session, you can observe the House and Senate in action from the galleries. Please feel free to contact my office if you visit during the session. I truly appreciate the effort that residents of the 32nd District make when they travel to Olympia, and will do my best to accommodate your appointment requests. When planning your trip, I encourage you to also contact the helpful Capitol Campus tour office at: (360) 902-8880.

For middle and high school students interested in learning more about state government, the Senate Page Program is an excellent opportunity. I enjoy seeing teens from our district come to Olympia to get a front-row view of the legislative process. More information on how to apply is at the back of this booklet. We will be accepting applications at the beginning of the 2006-07 school year. Contact my office for more information.

Whether through emails, phone calls, letters, faxes, or the toll-free hotline, lots of folks in the district get in touch with me throughout the year. I firmly believe that an active citizenry is essential to a strong democracy and really appreciate when people take time from their busy schedules to voice their opinions about issues that they care about. It helps me know what kinds of things are affecting the people in our community, and it gives me the opportunity to help when you have a particular concern I can address.

I hope you will use this Government Guide to contact me and your other elected officials about topics that are important to you and our community.

Take care and keep in touch,

A handwritten signature in cursive script that reads "Darlene Fairley".

Darlene Fairley  
State Senator  
32nd Legislative District

## **How To Become A Page For The Washington State Senate**

The Washington State Legislature has one of the most comprehensive page programs in the United States. Hundreds of students throughout Washington State have an opportunity each year to take part in the legislative process. To serve as a page, a student must meet several requirements including:

- grade point average of C+ or better;
- be at least 14 years of age and have not reached 17th birthday;
- parent/guardian permission;
- principal/teacher permission;
- contact their senator for a page application; and
- Social Security Number (must be obtained before paging appointment)

A page's work schedule goes from Sunday through Saturday. The workday begins at 7:45 a.m. and usually ends at 5 p.m., although pages may work longer if the Senate is still in session. In addition, pages are expected to work both Saturday and Sunday if the Senate works during a weekend. Page home facilities and transportation to and from the Capitol are available.

The uniform is a white blouse or shirt and black slacks or dress pants. The Senate furnishes the pages with a jacket.

For further questions about being a page in Olympia, please call my Olympia office at (360) 786-7662.

## **The Washington State Legislature**

Washington has two legislative bodies representing 49 legislative districts. The House of Representatives has 98 members serving two-year terms. The Senate has 49 members serving four-year terms. There are two representatives and one senator from each legislative district, comprised of approximately 120,000 people.

The Legislature convenes in regular session each year on the second Monday in January. The sessions are constitutionally limited to 105 days in odd-numbered years and 60 days in even-numbered years. Extraordinary or special sessions may be called by the governor, or the Legislature may call itself into session by a two-thirds vote of both houses.

## **Legislative Information on the Internet**

In the interest of improved public access to legislative information, the Washington State Legislature has created the LEGInfo public access service on the Internet at [www.leg.wa.gov](http://www.leg.wa.gov).

## How Your Voice Can Be Heard

Washington has one of the most open legislatures in the country. Every bill being considered by the House or Senate must be discussed in open hearings before the appropriate committees. The general public is welcome and encouraged to attend committee hearings and to testify on issues important to them.

While words like “hearing” and “testify” may sound forbidding, they simply represent your opportunity to come to Olympia and tell lawmakers how you feel before action is taken on an issue. For more information on how to testify effectively, write or call the Legislative Information Center at 360-786-7573.

You can leave messages supporting or opposing bills or issues for your state representatives, senator and the governor by calling the toll-free Legislative Hotline at 1-800-562-6000. The hotline is available Monday through Friday from 8 am to noon and 1 pm to 4:30 pm during the interim. During the legislative session they are available Monday through Friday from 8 am until 8 pm and Saturday from 9 am to 1 pm. When you call, be prepared to leave your name, address and telephone number so we can contact you after receiving your message.

It's helpful if you are specific about the issue or bill you are calling about, and who should receive your message. If you don't get through the first time, please try again.
